

The Rotary Club of Duvall is taking orders for our 2023 Duvall Has Heart event, plus the new Carnation Has Heart Valentines event. Send a special message this February with a personalized 18" x 18" heart sign.

The messages will hang on Main Street beginning around February 1st for the month. During February your loved one(s) can appreciate a unique special message displayed in town for all to see!

Orders may be placed online at duvallrotary.fun, OR by mailing this completed form. Cost is \$55 per side for new messages. Hearts can display up to 25 characters, including spaces and special characters. If you want the 'heart symbol', please request this: '%'. If you purchased a heart last year and would like to purchase the same one again this year, please click on the *Reorder* link online and note the message you used previously. The cost for reorders is \$50. Then we will put that one up for you. These funds support scholarships for RVSD seniors, grants for local non-profits and other special causes.

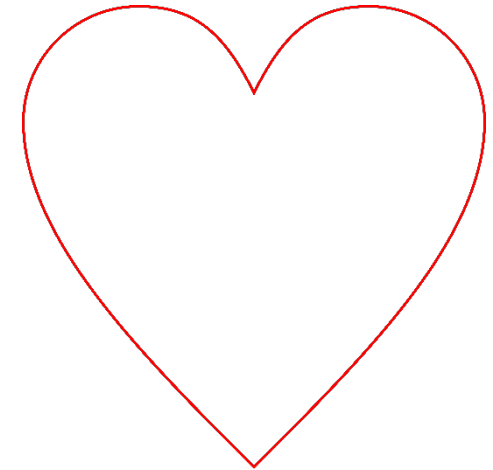

The number of hearts is limited, so they will be available while supplies last through the deadline of January 23rd for new orders. The reorder deadline is January 9th. So, don't delay, get your order in today!

You are purchasing the message (per side), not the sign itself. The physical heart signs are reused and not available for sale.

Thank you for your support!
